

Hembstead Homeowners Website

This is an easy way to stay connected, ask questions of your neighbors, share photos and receive important announcements from your Homeowners Association.

To gain access to the Hembstead Community Member website, send a request to michaeltoddcarter@gmail.com. You have to be invited to join this site and cannot log in on your own.

Once you have received your invitation email, simply click on the link and follow the simple instructions to set up your profile.

From that point forward, simply type this URL into your browser: <http://www.myfamily.com/group/hembstead> and your credentials should be stored as a 'cookie' (if you have that enabled) which will mean you don't have to log in again.

If you do clear your credentials and forget your log in information, simply click on the link for "forgot username/password".

It's that easy. Please join the on-line conversation and stay in touch.
